

Alliance News Professional covers every London-listed company, including AIM stocks and investment trusts. Our markets coverage tells you which stocks are moving, which are about to move, and why.

To complete the picture, Alliance News Professional includes top UK and global economic, political and general news, reporting on influential global blue chips, and commentary on the foreign exchange and commodities markets as well.

#### **Key features:**

---

- **flash headlines** on all market-moving events;
- **In Depth** - Our deepest dive into companies and hot topics of the day
- **In The Know** and **Taking AIM** market insight; UK, Asian, European and US market commentary throughout the day;
- **broker ratings** changes and price targets as reported and in a convenient daily summary;
- **executive interviews** and earnings previews;
- **London Briefing** - unique flash summary of the London market open, including key pre-market company announcements, overnight news, and opening direction;
- **London Market Midday** - everything you need to know ahead of the afternoon session and US open;
- **winners & losers summary** - tells you which London stocks are moving the most and why;
- **calendars** of corporate and economic events; Latest Actuals calendar updated as data is released; tables of comparative and historic economic indicators;
- **Bank of England, ECB and Fed Previews** - what to expect from policy making meetings;
- **primary ticker** - sensible content tagging, including the ability to filter on just the news that is **about** a company and **significant** to it; top stories code;
- **news sentiment** - positive or negative for the stock price, assigned by the journalist who wrote the story, not a computer;
